Aging & Family Services of Mineral County is proud to announce the third annual 5K fundraising run/walk at Jennings Randolph Lake. "Conquer the Dam" is one of the most scenic 5K's in our area. Proceeds from this event will support the Meals on Wheels program of Mineral County. Jennings Randolph Lake is a reservoir of 952 acres located on the North Branch Potomac River in Mineral County, WV and Garrett County, Maryland. The lake was constructed by the U.S. Army Corps of Engineers. Construction of the lake was completed in 1981. The highlight of this event is that runners and walkers will travel over the dam and spillway, normally closed to public travel.
