

Volunteers Needed!

Mineral County Senior Olympics June 11th—14th

Volunteers are the backbone of the Mineral County Senior Olympics. We could not exist without the dedication of dozens of area citizens that help each year. The time, energy and enthusiasm of volunteers fuel our movement and make our athletes' dreams a reality. There is a place for everyone in our organization.

Mineral County Senior Olympics is organized by Aging & Family Services of Mineral County and held on the campus of Potomac State College. All of our programs need a full complement of talents and skills. We welcome and encourage families or groups (i.e. church youth groups, corporate employees, civic and fraternal organizations, and high school and college classes) to sign-up to volunteer at our event! Please view and complete the form on the back page to help in whatever capacity you can!
